### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Due to the Examiner's error in reading claims 17 and 40, the Examiner had initially read these claims as being duplicates of claims 16 and 39 and canceled them in the previous Examiner's Amendment; however, the claims are of different scope and should not have been canceled. The purpose of this Examiner's Amendment is to reinstate these claims as added claims 42 and 53.

The application has been amended as follows:

The following claims have been added:

52. The method of claim 11, wherein said epidermal or complex skin equivalent is coated on its top or cornified side with a carrier membrane.

53. The method of claim 28, wherein said epidermal or complex skin equivalent is coated on its top or cornified side with a carrier membrane.
